**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Hi. My name is Francis Durant and I've been a customer of Sonic for some time now. Access to the internet is now more important than ever like having eletricity, gas and telephone service. Sonic provide excellent internet service for less than I would pay on big ISP. I cannot afford the high prices of AT&T, Comcast, etc. So please keep the access to the internet competitive so regular folks like myself can access the internet without paying higher prices.

Sincerely,
Francis Durant
